

Come Celebrate our 10th Anniversary with us!

That's right! July 1st, 2010 marks our 10th anniversary. In appreciation of the tremendous support we've received over our first ten years, we want to celebrate by offering some great deals!

GREEN FEES ROLLED BACK 10 YEARS!

For the month of July, we're offering the same green fee rates that we started with!
Only \$22 for 9 holes (\$30 with power cart) or \$33 for 18 holes (\$49 with power cart).

Special 'first timer' rate ... only \$10

for the greens fee portion of your first 9 hole round. Taxes and cart not included. That's right! Only \$10, if you've never played our course before! That's \$1 for every year you've waited! To qualify, your name must not appear in our database player register.

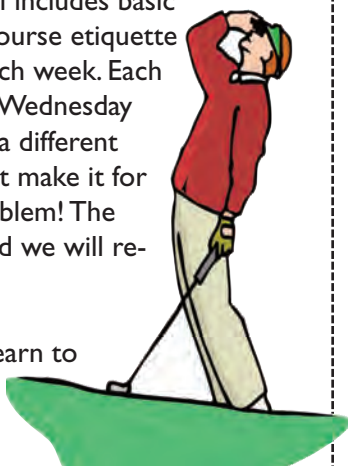

Our 'Introduction to Golf' special for beginners is back!

You've never golfed before? Now's the perfect time to try it! We're once again offering our popular 'Introduction to Golf' special, for people who do not currently golf but would like to join their friends for the physical activity and social aspects of the game.

This 5 session Beginner's special includes basic instruction, practice balls, golf course etiquette and a team 'Best Ball' format each week. Each session will be held at 6 pm on Wednesday evenings, with the emphasis on a different component each week. You can't make it for 5 consecutive sessions? No problem! The program will run all summer and we will review each week.

At only \$89 plus tax, you can learn to play easily and affordably!

And here's another great offer!

Now, you can enjoy a 'Single Day Membership' for only \$150 plus tax, for the entire season! Want to golf inexpensively? Take your pick of Monday, Tuesday or Wednesday as your 'golf day' OR take all three days for only \$400 plus tax, all for the entire season!

Fun for the
entire family!
